# NEW Architectural Cast Stone Mantels

Napoleon's Architectural Cast Stone Mantel Collection now consists of three best selling designs that capture both contemporary and traditional interior decorating styles. These cast stone mantels are specially formulated from lightweight materials to achieve twice the strength of concrete without the brittleness. With clean lines and smooth textures, they add an artistic fireplace experience to any home.

## Napoleon® Exclusive Features

- Available in three designs – Contemporary, Aveiro™, Marcella™
- Unique process is used to bring out the natural colouration of authentic stone
- Multi-stage production process builds in quality and durability at every level
- Special treatments double seal the pores making them water repellent and able to resist staining more efficiently
- Easy to clean and maintain
- New foam packaging eliminates breakage in shipping
