Vent Free Torch™ Gas Fireplace

... ideal for versatile installations for new construction and renovation projects (no venting required!).

GVFT8 Vent Free Torch™

WOLF STEEL LTD., Barrie ON

Napoleon's ultra modern fireplace with a slim, single torch flame design, now comes in a vent free model making it ideal for versatile installations for new construction and renovation projects (no venting required!).

The GVFT8 features Napoleon's exclusive Torch™ burner, complete with decorative glass embers and Porcelain Reflective Radiant panels.

The optional front and mounting cabinet, making a substantial decorative statement, are available in stainless steel or black finishes.

Optional accents lights, mounted underneath and above the Torch™, add a unique glow to the surrounding decor.

The GVFT8 is suitable for any room in your home, office or spa. It is even approved for bathroom installations.
